

Inspire Kids and Teen's

Dear St. Thomas' family and friends,

Over the past few weeks, we have seen God at work within our Junior Church and Teens. We are very grateful for the commitment shown. The growth trajectory has been very positive and for that we give God thanks. Thank you for partnering, joining, and praying for our children and teens. We can sense God every Sunday morning, drawing us in and closer at Junior Church and at our Friday Teen Nights.
